The businesses below with active links are supporters of Hat Creek Rim. Their donations directly benefit flying at Hat Creek Rim. Please consider their services while visiting the area.

Deluxe Camping with RV Park

[Hat Creek Hereford Ranch RV Park and Campground](#) (**Camping and Store, Fishing, Playground, Pavilion, RV Spaces**) Located only seven miles from launch this is a popular spot with the flying community! It has huge shade trees, great camp sites (some grass!), hot showers, fishing, swimming, games, children's playground, washers and dryers, small store, wonderful hosts, and it's just down the road from the Fireside Village store and café. All of this convenience for a reasonable rate. If you hope to find an available camp spot during any of the major summer holidays (Memorial Day, Fourth of July or Labor Day), call 530-335-7171 or visit <http://hatcreekrv.com/>

[Rancheria R. V. Park & Cookhouse](#). (**Cabin, Yurts, RV & Tent Sites - enjoy the park and views along the banks of the Lunker Lake**)!! Located five miles south of Fireside Village on Highway 89 (12 miles from launch). It features a stocked 2-acre lake. There is a lot of public access to Hat Creek just 2 miles away. RV storage is available. There are 65 full hookup sites. The maximum site length is 70 feet. The maximum electrical is 50 amps.

[Hat Creek Resort & RV Park](#) (**Motel, Cabins, RV & Tent Sites - enjoy a natural setting along the banks of Hat Creek all year long**)!! At 14 miles away from the turnoff to the Rim this outstanding resort offers incredible scenery and fishing. Well worth the stay!

Developed campgrounds along famous Hat Creek (bring a fishing pole)

Honn, Bridge, Rocky and Cave are a short distance from the Rim)

Honn: Two miles south of Fireside Village on Highway 89. Fee, elevation 3400', 6 sites, no drinking water, season late April - October. Not recommended for trailers because of limited turnaround space.

Bridge: Seven miles south of Fireside Village on Highway 89. Fee, elevation 4000', 25 sites, water, season late April - October.

Rocky: Eight miles south of Fireside Village on Highway 89. Fee, elevation 4000', 8 sites, no drinking water available, season late April - October

Cave: Ten miles south of Fireside Village on Highway 89. Fee, elevation 4300', 46 sites, water, season of use late April - October, facilities and fishing accessible.

Dispersed Camping:

Camping on the Lassen is not limited to developed campgrounds. Almost all of the forest is open to those who prefer the quiet and solitude of a completely undeveloped setting - just you, your campfire, and the stars. But remember fire permits are required outside of developed campgrounds on all California National Forest System Lands. Permits are free, and can be obtained at any Forest Service, Bureau of Land Management, or California Dept. of Forestry and Fire Protection Office. Dry California summers sometimes bring high fire danger and special . Regulations governing fire restrictions are specific to each National Forest and change with weather conditions and the seasons. Before each visit please check with the Forest you plan to visit for current fire restrictions. For current fire conditions in the Lassen National Forest, [go here](#).
